Rooted in Connection, Growing Through Action

Dear Community Member,

The start of Winter is a wonderful time - the arrival of snowy weather, seasonal holiday fun, and the exciting promise of a New Year. The Board of Directors of the Victoria Hills Neighbourhood Association (V.H.N.A.) wishes you all the greetings of the season. We have lots of exciting things going on, and I'd be pleased to share some of them with you.

As a Neighborhood Association, one of our key missions is to deliver recreational and educational programming opportunities for young people and members of the community. Some highlights from our Fall session include:

- **Connecting some of our sports instructors with online and practical training from Soccer Canada and local experts**
- **Welcoming eight amazing new instructors to our team**
- **Piloting our new "Youth in the Kitchen" program for two terms this fall. This program was offered based on feedback from the community**
- **And we'd like to give a special thanks and "shout out" to Sanela, our piano instructor who has worked with us for a long time and who continues to shine within the community with her impeccable teaching skills.**

We're always interested in hearing feedback and gathering input from the community. If you have any questions or thoughts about VHNA programs at the Victoria Hills Community Centre, please contact us at https://www.vhna.ca/contact-9.

We held our Association's Annual General Meeting this October, and one of the highlights was welcoming new members to our Board of Directors. Our new members represent the diversity and vitality of our community, including students, employees, business owners, and energetic retirees. Bringing new voices and viewpoints onto our Board is a priority for us, and we are excited to get to know and work with these talented and dedicated individuals. If you would like to learn what the Board does, our meetings take place the first Wednesday of each month from 6:30 - 8:30 at our Community Centre. You can also learn more about us at https://www.vhna.ca/general-5.

One event this Season that I'd love to highlight is our annual "Winterfest" party, to be held on Saturday, December 5th at the Victoria Hills Community Centre, running from 1:00 - 3:00 pm. This free event will be featuring live music from some of our student groups, art activities, basketball opportunities for teenagers, local artisan crafts, and a visit from Santa Claus (from 2:00 - 3:00). Family pictures with Santa will be offered free of charge. There will even be snacks! If you're available that day, we'd love to see you there!

Lastly, the VHNA has been working hard to provide service to the community. We've been working with Love My Hood on a grant program to purchase a variety of picnic tables, currently in use at Gzowski Park. We've been working with local artists to paint these tables to make them both beautiful and useful. Swing by the park and have a seat!

We look forward to a fun and rewarding Winter season. We wish you Season's Greetings, and we look forward to connecting with you soon.

We would like to acknowledge this community centre is situated on land that is the traditional home of the Haudenosaunee (Ho-deh-no-show-nee), Anishinaabe (Ah-nish-nah-bay) and Neutral People. We recognize and deeply appreciate their historic connection to this place. We also recognize the contributions Indigenous peoples have made in shaping and strengthening this community. We are grateful for the opportunity to meet here and re-affirm our collective commitment to make the promise and the challenge of Truth and Reconciliation real in our community.

A WORD FROM YOUR COUNCILOR

Hello Victoria Hills Neighbours,

Thank you so much for your support during my municipal campaign—it is truly humbling to return as your Councillor. I look forward to collaborating with you this next term. Together, let's get good things done for the community we all love!

I hope you've enjoyed the fall season and are settling in for the colder months ahead. The Victoria Hills Neighbourhood Association has a great lineup of winter programs and events, so there's still plenty to keep you busy and connected close to home. Mark your calendars for Winter Fest on Dec. 5 from 1-3pm.

Looking for ways to make a difference and to connect with the community? Consider attending the next Victoria Hills Neighbourhood Association meeting at the community centre. Meetings are on the first Wednesday of each month at 6:30pm. Hope to see you there!

As we are heading into the holidays, I want to thank you for everything you do to make the Victoria Hills community such a welcoming place to live. Wishing you and your loved ones a happy holiday season and all the best in the new year.

Your opinions and ideas mean a lot to me. Please contact me with any questions or concerns you may have at: margaret.johnston@kitchener.ca or call me at 226-752-8875.

Sincerely,

Councillor Margaret Johnston - Ward 8
